Top shows a client-commissioned nude "Arora" build-up Mike did. Below, is another nude Arora, with a skin-tight Saint Patrick's Day top and a custom floor with spanking implement.

Here a stock nude "Kiko" Mike built for a customer. Beautifully simple warm palette, flesh, pinks and gold. A nice detail pic below.

Below is a diorama Mike created for a customer using his "Kami" kit . The scene?... a sweet young thing in her room, skirt hiked in preparation for spanking for some dastardly deed she's committed. As if the girl herself did not communicate pure innocence, Mike sculpted her a cute teddy bear. Positively scandalous, and masterfully conceived and executed. The colors and textures here are rich and warm.
